

What Are We Learning?

Math

We are continuing to learn about fractions. The main focus of the next few weeks is equivalent fractions and comparing fractions.

Reading

For Wordly Wise, we are working on lesson II.

In reading, we are learning about the different non-fiction text structures and how to identify them.

Important Dates

March 13-17th Spring \$5 book fair

March 24th Spring Carnival

Science

We are currently in our human body unit. Learning about our skeleton, joints and muscles.

Writing

We have begun researching famous people to start writing our biographies.

Important Information

The Spring Carnival is March 24th! You can buy tickets early online! You can also find the link to volunteer on the GHE PTA website!
