

3rd Grade News

October 17th-
October 28th

What Are We Learning?

Math

We just finished our unit on quadrilaterals and are beginning to learn about multiplication and division!

Reading

For word work, we are working on lessons 1 and 2 of Wordly Wise!

In reading, we are learning about fables and how to determine the lesson in the story.

Important Dates

October 17th- Boosterthon Money Due **October 21st**- Early Release
October 25th-26th- Science is Fun for Everyone "Skin and Bones"
October 27th-Chick-fil-a Night **October 28th**- End of the quarter 1

Science

We are still learning about plants and how they survive in different environments.

Writing

We are working on the final draft of our personal narratives

Important Information

Please make sure to send in the field trip money and field trip form.

Chick-fil-a night is a great way to support Green Hope, we would love to see you there!
