

3rd Grade News

MS. GIBSON'S CLASS

SEPTEMBER 26TH-

OCTOBER 7TH

What Are We Learning?

Math

We just learned how to estimate when solving problems, and now we are learning about different 2-D shapes.

Reading

For word work, we are still learning about the 6 syllable types.

In reading, we are finishing up the asking and answering questions unit and will begin learning how to describe characters in a story.

Important Dates

September 29th- Ice Cream Social from 5:00-8:00

September 30th- Interims go home and early release

Science

We will be transitioning into science on September 30th.

We will be beginning our plants unit!

Writing

We are learning how to develop ideas and write narratives!

Important Information

Please make sure to buy your child's class resources on the PTA website.

The Ice Cream Social is a great way to support Green Hope, we would love to see you there!
